

Crown Point Community Schools is accepting bids for replacing the main serving area at Crown Point High School. The renovation includes new equipment and improved graphics. The bid must include all aspects of the installation so as to provide a turnkey system as well as an estimated timeline for installation. The preferred manufacturers are Multiteria, Structural Concepts, and Traulsen, although alternatives will be considered. Responses to this bid must be received at Crown Point Community Schools' Administration Service Center at 200 East North Street, Crown Point, IN 46307 no later than April 15, 2019 at 10:00 am. This quote may also be emailed with prior approval. Complete specifications are available upon request. Questions should be directed to Pam Maloney at 219-662-6480.

Quote must include:

1. Equipment list and installation so as to provide a turnkey system.
2. Clearly stated alternative equipment if providing something other than preferred manufacturers. Alternates must have written approval by Food Service Director at least 5 business days prior to bid due date.
3. A tentative schedule for installation and whether installation can be done during evenings or weekends
4. Completion date by August 1, 2019 or pay daily fee of \$200.00 for every day work not completed.
5. Sub-contractors must be listed in quote.
6. Certificate of liability insurance included.
7. W-9 form completed included
8. Bidder receiving the award shall furnish an approved 100% performance bond and a 100% labor and materials payment bond which cover faithful performance and all obligations. Said bonds will remain in full force effect for 6 months from date of acceptance.
9. All required permits are the responsibility of your company at your cost.
10. A general pre bid meeting will be scheduled on April 09 at 3:00 p.m.
