

Rule 5 Public Notice

Northern Indiana Public Service Company (NIPSCO) (2755 Raystone Drive, Valparaiso IN, 46383) is submitting a Notice of Intent to the Indiana Department of Environmental Management of our intent to comply with the requirements of 327 IAC 15-5 to discharge storm water from construction activities associated with Phase II of the Aetna to LaPorte Gas Transmission Line Upgrade Project, located in LaPorte County and Porter Counties (eastern terminus is located just west of N 850 W in LaPorte County, and the western terminus will be located just north of Highway 12 in Porter County). Runoff from the project site will sheet flow into the main branch and tributaries in the West Branch Trail Creek, Beverly Shores Tributary, Little Calumet River, and Dunes Creek watersheds. Questions or comments regarding this project should be directed to Steve Baker at NIPSCO at 219-477-6290.
