

REQUEST FOR PROPOSERS
BRIDGE ENGINEERING

The Northern Indiana Commuter Transportation District ("District") is seeking consulting engineering services to provide plans and specifications for the repair of ballasted deck through girder bridges, NICTD Bridge #73.14 Calumet Expressway and open deck truss bridge, NICTD Bridge #72.38 Calumet River Bridge. All proposals must meet NICTD's specifications as further described in the Proposal Packet.

The Proposal Packet, including the specifications, is available online at www.nictdplanroom.com. Proposers are encouraged to access this site to retrieve the proposal packet, updated proposal information and addendums.

Information regarding these Proposals, including the results, can be found at mysouthshoreline.com/about/purchasing.

Proposals shall be submitted electronically using the NICTD Plan Room submission link, located at the top left of the Project Information page. Proposals shall be submitted in a ZIP folder, with files clearly marked "Bridge Engineering-Technical or Price Proposal." Proposals shall be submitted on forms contained in each proposal package.

Proposals will be received not later than 2:30 P.M., local time, Friday, December 11, 2020. The "Submit Bid" link will be disabled after the above stated time and date, so be sure to allow enough time to upload the entire proposal prior to this time. NICTD is not responsible for proposals that failed to upload prior to the submission deadline. Proposals must set forth full, accurate and complete information as required by the instructions in the proposal package. Failure to do so may result in rejection of a proposal.

NICTD's Disadvantaged Business Enterprise (DBE) participation goal for these projects is twenty percent (20%) of the proposal price. Proposers are required to make good faith efforts to meet or exceed the District's goal.

NICTD reserves the right to reject any and all proposals and waive technical defects if in its judgement, the interests of NICTD so require. NICTD will interview and enter into negotiations with any proposer it deems appropriate in its sole discretion. NICTD reserves the right to accept any proposals within 90 days after the time of the opening of the proposals, during which time no proposal shall be withdrawn.
