

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Planning Commission for the Town of Kouts will conduct a public hearing on creating a zoning ordinance that would require any new structure in a commercial district in the Town of Kouts conform to the small-town America look and theme that the people of Kouts wish to use to attract new residents and businesses. It is in the best interest of Kouts to establish rules and guidelines requiring the Plan Commission to compare building plans, materials and architecture to the existing ascetics of neighboring structures in order to preserve the storied country nature of the Downtown area of Kouts. The public hearing is scheduled on December 28th, 2017 at 6:30 p.m. at the Kouts Town Hall, 210 S Main St., Kouts, IN 46347.

By order of the Planning Commission,
Laurie Tribble, Clerk-Treasurer
Town of Kouts
