

TOWN OF CHESTERTON  
NOTICE OF PUBLIC HEARING

ON PRELIMINARY ENGINEERING REPORT  
(PER) TO OBTAIN ASSISTANCE FROM THE  
WASTEWATER STATE REVOLVING FUND

The Town of Chesterton, by its Utility Service Board, will hold a public hearing on a Preliminary Engineering Report (PER) to obtain assistance from the State of Indiana Wastewater State Revolving Fund at 6:00 p.m. on October 29, 2012 at the Chesterton Town Hall, 726 Broadway, Chesterton, Indiana 46304. The Town of Chesterton's engineering consultant will present the recommended upgrades to the Town of Chesterton's wastewater infrastructure, which will include improvements to the Town of Chesterton's Wastewater Treatment Plant, lift station upgrades and sewer system rehabilitation, as described in the PER.

At this hearing, there will be the opportunity for questions and comments from the public. Participation is welcomed and encouraged. If special assistance is required at the meeting, please contact Town Manager, C. Bernard Doyle, at (219) 928-1098. Copies of the PER are available for public viewing starting October 19, 2012 through November 5, 2012 at the Chesterton Town Hall, 726 Broadway, Chesterton, Indiana. Written comments regarding this project should be sent to Chesterton Utility Superintendent Rob Lovell at 1490 Broadway, Suite 2, Chesterton, Indiana 46304 prior to November 5, 2012.

CHESTERTON UTILITY SERVICE BOARD
